

Viroqua Astronaut Mark Lee  
Saturday, July 20 at 2:00pm  
Viroqua Elementary School Cafetorium

Join Viroqua native Mark Lee for an afternoon program as he shares stories and pictures about the time he spent as an astronaut with NASA. During his career Lee had the opportunity to go on four space flights spending 33 days in orbit. The trips enabled him to travel 13 million miles and to go around the world 517 times. At the conclusion of the program Lee will entertain questions from the audience. The program is sponsored by the McIntosh Memorial Library, Vernon County Historical Society, and Viroqua Area Schools. For more information call 637-7151 or 637-7396.
