The Wisconsin Historical Society's History Makers Tour is bringing history directly to local communities in every region of the state.

There's nothing that brings Wisconsinites together more than a little friendly competition. Whether it's for a champion franchise, a university team, or one of our many racing competitions, we love to be part of a cheering crowd all year round. Luckily for us, our state has no shortage of teams and types of sports to root for. So step right up, get your game face on, and discover some of the amazing stories behind the highlight reels through this outdoor installation.

The History Makers Tour is presented by Culver's and is made possible in part by  
**the Institute of Museum and Library Services, Grant Number: MA-253159-OMS-23.**
