# Swift Night Out at the Vernon County Museum & History Center

Watch as hundreds of swifts stream into the chimney to roost for the night!

We will start at 7:30PM with swift expert Dr. Stefan Gleissberg of the Wisconsin Chimney Swift Working Group, and local birder Dave

Krier. Then we'll watch the swifts roost in the chimney around 8:30PM.

The event takes place in the parking lot on the west side of the museum. Bring a lawn chair or something comfortable to sit in while looking up to the top of the chimney.
