# Swift Night Out at the Vernon County Museum

We will start with a talk about chimney swifts from Barb Duerksen of the Wisconsin Society of Ornithology! After learning about all-things-swifts, we'll watch the hundreds of chimney swifts come back to roost in the chimney around 8:30-9:00 pm.

The event takes place in the parking lot on the west side of the museum. Bring a lawn chair or something comfortable to sit in and look up to the top of the chimney.
