

Main Street Meandering

Historic Walking Tour of Viroqua, WI

Created by the
Vernon County
Historical Society

This tour takes about half an hour to walk. The buildings are best seen from a short distance, such as from across the street. Many of the buildings have been modernized at street level while the upper stories reveal the original façades.

More information about all of the places featured on this tour can be found at the Vernon County Museum, corner of south Main Street and South Street, Viroqua. See back page for contact information.
